

To speak gratitude is courteous and pleasant, to enact gratitude is generous and noble,
but to live gratitude is to touch Heaven.

Pond Wiser Gives Thanks

We would like to take this opportunity to extend a heartfelt thank you to all of you who have made our business possible. We continue to learn and grow and appreciate your patience when we stumble. However, our tenacity keeps us getting back up and we hope you will entrust us to continue making you Pond Wiser, Lawn Wiser, and Home Wiser.

Happy Thanksgiving to you and your family and friends.

Black Friday or Cyber Monday

Are you one of those crazed shoppers standing in line for hours to get the Christmas bargains in the middle of the night? I am at the opposite end of the spectrum - I do my Christmas shopping in September. Okay, I know that is crazy, but I used to do it in August so give me a break. I could consider being a Cyber Monday shopper since I don't have to worry about bodily harm while I'm choosing gifts that I hope bring joy to others.

I thought I would give you my reading list to date, in hopes it will inspire your gift giving. These are in no particular category or order.
